

General suggestion for the text on the websites of the coordination centre for children's and youth ambulances (KJA) and the social-paediatric centres (SPZ)

We keep offering counselling by phone, as well as video consultations.

From now on, we are offering in-person consultations in our KJA/SPZ. The treatment will take place in compliance with the necessary measures concerning hygiene and protection, in order to minimize the infection risk.

Please do not visit us if you or your children have a cold or anything similar.

You are also not allowed to visit us, if you have had contact with a person that has the coronavirus.

Please bring a mouth-nose-protection and wear it during your appointment at the SPZ.

Please contact our reception to make an appointment for a consultation.

We gladly send you remedy directives

and prescriptions

by post.

The living together with your children can be very difficult right now. In case of crises, please reach out to:

Child protection hotline 030/ 61 00 66 or info@hotline-kinderschutz.de.
